WELCOME TO WHERE YOUR Dream Home BECOMES A REALITY

Your home is custom designed to accommodate your busy lifestyle. Our design team has coordinated Interior and exterior color palettes to ensure the community maintains visual balance and harmony.

- Home sizes range from 2,400-3,200 sq. ft.
- 4 bedrooms
- 2.5 baths
- Hardwood flooring throughout the first floor
- Wall to wall carpeting on the second floor
- Master bath with optional claw foot tub or soaking tub
- Maintenance free windows with tilt in for easy cleaning
- Energy efficient 2x6 exterior construction
- Maintenance free vinyl exteriors
- Attached car garages
- Luxurious kitchens include granite counter tops
- Hook-ups for washer/dryer
- Crown moulding throughout the first floor
- Central Air Conditioning

New home conveniences include: provisions for washer and dryer hook-up; pre-wiring for three telephones, cable and satellite TV jacks; electronic smoke detectors; weatherproofed exterior electrical outlets in front and rear. We professionally clean your new home prior to moving in.
